

Glamour CRAFTS

Basket - Party Favor

MATERIALS:

- Printed Paper • Construction Cardstock 9" x 12"
- The Ultimate • Tape Runner • Red Liner Tape
- Scissors • Ribbon • Paper Trimmer • Hole Puncher

Directions

Step 1: Cut the Construction Cardstock at size 9" x 9", then place it on The Ultimate, using the "boxer score board" score all four sides at 3" (see figure 1).

Step 2: Cut all four corners diagonally, score three lines from the center to 1" apart (see figures 2 and 3).

Step 3: Add Red Liner Tape between the two score lines, repeat on all four corners (see figure 4). Fold center line and adhere together making the pleat in each corner as shown in Figure 5.

Step 4: You will need four pieces of printed paper, one piece at larger than 3.5" x 5" (this will be your front side) and three pieces at 5" x 3". For the handle you will need two pieces size 9" x 1.5", one of printed paper and one of Construction Cardstock (see figures 6 and 7).

Step 5: Cut out and remove the extra paper around the design on the decorative paper and adhere to the basket as shown (see Figure 8).

Step 6: Using a hole puncher, make a couple of holes on two sides of the basket along with the handle and then tie them together using a piece of ribbon (see figure 9)
