Directions

Step 1: To make the base of the box, cut two pieces of cardstock 5" x 18.5" and 5" x 5". Place the short edge of the cardstock against the "box base" (landscape) and score 4 lines every 4.5 inches at 4.5", 9", 13.5" and 18". You will need to shift the cardstock over to continue scoring all lines, see figure 1.

Step 2: To Create the lbox, use the piece of cardstock that is 5" x 5" and place the cardstock against the "box base" and score around 1/4" inches, add tape on each side, see figure 2.
